4. **Content.** The term “Content” means all data, text, images, and any other information or materials uploaded or submitted by you or on your behalf in connection with your use of the Software or Services.
  - a. **Your Content.** You may upload Content using the Site, Software and its Services to either third party websites or our Services. FSS does not verify, endorse, or claim ownership of any Content, and you retain all right, title, and interest in and to the Content. The above notwithstanding, you hereby agree and acknowledge that in accessing the Site, purchasing or licensing the Software, or subscribing to Services you grant FSS a non-exclusive, perpetual, worldwide, non-revocable license to all Content. Further, you acknowledge and agree that any and all Content may be deleted from FSS’s servers and the Services upon termination of your Account without notice to you. The above notwithstanding, you acknowledge that the Services are automated (e.g., Content is uploaded and submitted using software tools) and that FSS does not edit, verify or confirm any of the Content.
  - b. **Your Representations and Warranties Regarding Content.** You represent and warrant that (i) you are the owner, licensor, or authorized user of all Content; and (ii) you will not upload, record, publish, post, link to, or otherwise transmit or distribute Content that: (a) advocates, promotes, incites, instructs, informs, assists or otherwise encourages violence or any illegal activities; (b) infringes or violates the copyright, patent, trademark, service mark, trade name, trade secret, or other intellectual property rights of any third party or FSS, or any rights of publicity or privacy of any party; (c) attempts to mislead others about your identity or the origin of a message or other communication, or impersonates or otherwise misrepresents your affiliation with any other person or entity, or is otherwise materially false,

misleading, or inaccurate; (d) promotes, solicits or comprises inappropriate, harassing, abusive, profane, hateful, defamatory, libelous, threatening, obscene, indecent, vulgar, pornographic or otherwise objectionable or unlawful content or activity; (e) is harmful to minors; (f) or violates any law, statute, ordinance, or regulation.

5. **Account Registration:** In order to use the Site, Software and the Services, you may be required to create an Account. You may never use someone else's Account. You may also never grant anyone else access to your Account. When creating an Account, you agree to provide accurate, current and complete information about yourself ("Registration Data") as prompted by our registration form. 6. **Data Limited License:** Subject to your compliance with the terms and conditions of this Agreement, FSS grants to you a non-exclusive, non-transferable, revocable right to access and use the Services on any computer or mobile device that you own or control and on which you previously installed the Software in accordance with this Agreement to access certain Data which may include the contact information for individuals or businesses (the "Data"). This Data may include names, business names, addresses, phone numbers, email addresses, websites, Facebook and Twitter accounts. Unless specifically authorized by us in advance and in writing, you will not share, sell, transfer, or otherwise make the Data available to any third person or entity and you will use your best efforts to prevent the misuse or unauthorized use of the Data by any third person or entity. You will not name or refer to MacroLeads or Firestarter Systems or your use of the Data in any of your advertisements or promotional or marketing materials. You will not use the Data for consumer credit purposes, underwriting consumer insurance, employment purposes, tenant screening purposes, for any other purpose covered by the federal Fair Credit Reporting Act or for any other purpose not expressly authorized by this Agreement.

Notwithstanding the term of your limited license, you are restricted to accessing no more than 1,000 Searches of the data in any consecutive 30 day period. A Search is defined as a search request for a specific keyword or accessing an additional page of search results. For clarification and the avoidance of doubt, if you search for the keyword "dentist" and the available data report shows more than one page of results, if you choose to click to see a 2nd, 3rd, or subsequent page of results, then each such click counts as an additional Search. Accessing the initial page of results and clicking to 3 additional pages would equal a total of 4 Searches.

7. **Eligibility:** All Users must be at least eighteen (18) years of age or older to enter into this Agreement. This Site, Software and its Services were designed for Users who are legal residents of the United States and its territories. Users from other countries are advised not to disclose personal information unless they consent to having their information used as set forth in this Site's Privacy Policy rather than under the law of User's home country. Usage of the Services is void where prohibited.

8. **Termination.** This Agreement is effective until terminated. Your rights under this Agreement will terminate automatically or otherwise cease to be effective without notice from FSS if you fail to comply with any term in this Agreement. Your termination of this Agreement will not affect charges submitted as part of a periodic subscription before FSS could reasonably take action in response to your notice.
